## Do You Know Me?

If you go to the "movies" you probably do.

Nearly five years ago you may have been one of the many who wrote me such kind letters about my work in "Who Pays?" one of Pathé's Serials.

Or perhaps you followed me in "The Red Circle", "The Neglected Wife", or "Hands Up", or "The Tiger's Trail", all Pathé Serials and all successful.

For five years I have studied audiences and motion picture serials. I've had to become I make my living from you and from serials.

I believe that I know what you want in a serial, and that I know how to give it to you in story, acting and production.

So I have formed my own company, have made my own serial as I believe you want it, and Pathé will distribute it for me.

I will tell you more about it tomorrow.

Paul Robeson
